PRESS RELEASE

Da Nang, August 26, 2014

Today, NFS Mobile Solutions, LLC announced the availability of its new Smartphone application, *Da Nang, Vietnam: The Essentials Guide*.

Da Nang, Vietnam: The Essentials Guide is the first in a series that will deliver concise, meticulously researched and up-to-date information about all of Vietnam's major tourist destinations, as well as off-the-beaten path locales. Produced by our team of independent contributors and illustrated with original photography, *The Essentials Guide* will feature the best of what to see and do, as well as a selection of our favorite places to sleep and eat that are guaranteed to appeal to any budget.

Currently available for iOS devices at:
