## INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors  
Veterans For Peace, Inc.  
St. Louis, Missouri

We have reviewed the accompanying financial statements of Veterans For Peace, Inc. (a Non-Profit Organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurances as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### Accountant's Conclusion

Based on our review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

### Emphasis of Matter

As discussed in note 1, the financial statements referred to above include only the activities of the national headquarters located in St. Louis, Missouri and do not include the activities of any other independent chapter and at-large member. Accordingly, the accompanying financial statements are not intended to present the financial position of any other independent chapter or at-large member as of December 31, 2015, or its results of operations for the year then ended.

### Prior Year Financial Statements

The 2014 financial statements of Veteran's For Peace, Inc. were reviewed by other accountants whose report dated February 19, 2015, stated that, based on their procedures, they are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

VETERANS FOR PEACE, INC.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2015 AND 2014

---

**Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Organization and Activities

Veterans For Peace, Inc. (the Organization) has independent chapters and at-large members located throughout the United States and Puerto Rico. These financial statements reflect only the activities of the national headquarters located in St. Louis, Missouri and do not purport to include any activity of other independent chapters or at-large members.

The national headquarters located in St. Louis, Missouri of the Veterans For Peace, Inc. was incorporated in 1985 under the non-profit statutes of the State of Maine. Its purpose is to promote alternatives to war by addressing the issues of national and international policies through peaceful and non-violent means.

The Organization's principal sources of revenue are from the collection of members' dues, charitable contributions and sales of educational and promotional items. It also earns fees for administering funds for various projects sponsored by member chapters.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect significant receivables, payables, and other liabilities.

Financial Statement Presentation

Financial statement presentation follows the requirements of Financial Accounting Standards Board. Therefore, the Organization reports its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

*Unrestricted net assets* consist of resources available for the various programs and administration of the Organization which have not been restricted by a donor.

*Temporarily restricted net assets* consist of donor restricted contributions. Temporarily restricted contributions may expire either by the passage of time or by certain actions taken by the Organization which fulfill the restriction.

*Permanently restricted net assets* consist of donor restricted contributions which are required to be held in perpetuity. Income from the assets held is available for either general operations or specific purposes in accordance with donor stipulations. The Organization did not have any permanently restricted net assets for the years ended December 31, 2015 or 2014.

Cash and Cash Equivalents

For the purpose of the statements of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

VETERANS FOR PEACE, INC.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2015 AND 2014

---

**Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued**

The Organization's cash and cash equivalents consist of demand accounts, cash management funds and money market accounts. Cash and cash equivalents are stated at fair value. Earnings on the cash and equivalents are reflected in the statement of activities.

Contributions

Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. The Organization reports gifts of cash, grants and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is when a stipulated time restriction ends or a purpose restriction is fulfilled, temporarily restricted net assets, are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Inventories

Inventories consist of books, videos and promotional items purchased for resale. Inventories are valued at average cost. No effort is made to determine whether cost exceeds market value.

Fixed Assets

Fixed assets are stated at cost, if purchased, and fair value at the time of donation, if donated. According to the Organization's capitalization policy, all fixed assets purchased or donated exceeding \$500 are capitalized. Maintenance and repairs are charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful life of the assets ranging from 3 to 10 years.

Functional Expenses

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that relate directly to a specific program or support service are allocated according to their natural expenditure classification. Other expenses that are common to several functions are allocated by various statistical methods.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status

Veterans For Peace, Inc. is tax-exempt under Section 501c (3) of the Internal Revenue Service Code. As such, the Organization is only taxed on income from any activities unrelated to its charitable purpose. The Organization did not have any unrelated business income for 2015 or 2014; therefore, the statements do not include any provision for income taxes. Additionally, the Organization qualifies for charitable contribution deductions under Section 170(b) (1) (A).

**Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued**

The Organization has adopted the standards for accounting for uncertainty in income taxes and management is not aware of any uncertain tax provisions of the Organization related to the tax filings.

The Organization files federal information returns (Form 990). The statutes of limitations for information returns filed for the years ended December 31, 2012, through 2015 have not expired and therefore are subject to examination.

Reclassifications

Certain summarized amounts in the prior year statement of functional expenses presented have been reclassified to conform to the current year financial statement presentation. These reclassifications have no effect on previously reported net assets.

Comparative Financial Statements

These financial statements include summarized comparative prior-year information in the statements of activities and statements of functional expenses.
